Craniomandibular Websters Timeline History 1950

Webster's bibliographic and event-based timelines are comprehensive in scope, covering virtually all topics, geographic locations and people. They do so from a linguistic point of view, and in the case of this book, the focus is on "Jacks," including when used in literature (e.g. all authors that might have Jacks in their name).

History Origin and early years. There has been much dispute over the invention of modern tennis, but the officially recognized centennial of the game in 1973 commemorated its introduction by Major Walter Clopton Wingfield in 1873. He published the first book of rules that year and took out a patent on his game in 1874, although historians have concluded that similar games were played earlier ...
