Homelite Chainsaw Parts - Suitable Replacement Parts

I have a Homelite Timberman 45cc chainsaw (UT-10550). I noticed the chain dragging against the brake shortly after starting it. I removed the chain cover; thinking that there must be wood chips jammed against the brake band, but it appeared to be ok. After researching the problem, it appears to be a common occurrence with these saws.

Chainsaw Parts & Accessories. Long gone are the days of using axes to cut down trees and massive chunks of timber. A chainsaw is a technological marvel that allows one to cut down huge chunks of timber with ease and in less time. However, just like any device it is made of different parts and has its own accessories.
