## **Invasion Of The Body Revolutions**

In *Invasion of the Body*, Tilney tells the story of modern surgery and the revolutions that have transformed the field: anesthesia, prevention of infection, professional standards of competency, pharmaceutical advances, and the present turmoil in medical education and health care reform. Tilney uses as his stage the famous Boston teaching hospital where he completed his residency and went on to practice (now called Brigham and Women's).

## **Invasion of the Body: Revolutions in Surgery by Nicholas L ...**

*Invasion of the Body* Book Description: A pioneering organ transplant surgeon narrates in gripping detail the revolutions that have transformed modern surgery, and the turmoil in medical education and health care reform as new capacities to prolong life and restore health run headlong into unsustainable costs.

## **Invasion of the Body: Revolutions in Surgery on JSTOR**

The 384-page *Invasion of the Body: Revolutions in Surgery* is scholarly, articulate, and even eloquent in spots, and, while formidable, also readable. As such, it is exceedingly uncommon to find in a single book a concisely told history of surgery and medicine as well as pertinent comments—pro and con—on US policy issues that will require attention and action in 2012.

## **Invasion of the Body: Revolutions in Surgery | JAMA | JAMA ...**

In his most recent book, *Invasion of the Body: Revolutions in Surgery*, he gives an engaging and nuanced overview of the history of surgery from its early prehistory to the modern era. He points out with great candor the reality that modern surgery is a relatively recent phenomenon, preceded by a long and somewhat barbaric early history.
