Re: Jeep Wrangler Wiring Diagram - 97 TJ Wow, my bad, figured it out!! Thanks Terry for reminding me about the secondary fuse box. to be honest i comletly forgot about it, i had been pulling the door switch fuse behind the glove box but what i realized is that is protected on the ground circuit (had full continuity with ground) so it never has power going thru it, whoops.

Jeep Wrangler Wiring Diagram - 97 TJ - Jeepz.com

Just take off the tail light and connect the positive (red) wire from camera to backup light , it should be white/L-green and black wire from camera to ground black wire on the same tail light, from stereo the wire mark as (reverse or back) to same white/L-green to wires that are connected to shift gear that's what am I doing right now on 05 Grand Cherokee.
