Marketing Tips

Landing pages, like any other part of your online marketing arsenal, need goals. Without concrete, specific goals, there's no way to create an effective page. Your goal should be clear before you begin designing your page. You also need specific expectations for your landing page, on which to gauge its success.

Beginner's Guide to Landing Pages - Neil Patel

The most obvious thing when you consider how to measure landing page success is your number of page views. If people aren't looking at your page, it isn't going to help your marketing. When looking at your traffic, be sure to measure your total page views as well as your new page views, sometimes called unique visitors.
