Spanish culture tends to find proximity between parties and a good human and personal relationship before going further with business. When facing a legal dispute, a dispute resolution method that eventually seeks the maintenance of relationships is essential. That is why mediation can be the perfect dispute resolution method in the Spanish market.

Mediating Germany Popular Culture Between Tradition And ...

Self-reflection with humility expands beyond the medical community. Portman (2009) examined self-reflection with school counselors for the purpose of mediating culture between students. It has also been studied in the context of supervisor/supervisory working alliances which improved with cultural competence (Crockett & Hays, 2016).
